

# PRISim PORTABLE TRAINER

*PRISim Suite® PortableTrainer™*

## MODEL #L750

### Portable, durable and easy to assemble

The PRISim Suite® PortableTrainer™ is a judgement evaluation and force options training system, loaded with features to meet your training needs. By design, it creates a safe, effective and realistic learning environment for law enforcement, military and security professionals.

This cost-effective training system is easy to use, quick to deploy and simple to transport. Integrated components allow trainers to assemble the PRISim Suite PortableTrainer in as little as 15 minutes.

PRISim Suite PortableTrainer comes with more than 500 pre-installed branching situations to meet your training requirements. Train to win with the PRISim Suite PortableTrainer.
